Navigators Report:

Brother Sir Knights

We have made it through another month of bad winter weather. Easter is just around the corner. We have been asked to be at several Color Corp call outs in April for Holy Week. I know your time and schedules are quite busy but I ask as always for as many Sir Knights that have Regalia to come and be a great example of who and what we represent when we attend a Mass or celebration. The Biennial Meeting was very informative. Some high lights are: the 4th Degree Assemblies in NH as a whole are in a sad condition. Our Assembly is in Fr. Healy Province, which consists of the six New England States and we are in last place in Membership. We are responsible for at least 6 new members from July '09 to June of '10 and we have only one. We have our work cut out for us. New Form Fours have been issued for us to use. A third point brought was that our meetings should not look like a Third Degree Meeting. We need to be unique from the Third Degree. I will be looking for suggestions at our next Members Meeting.

Last and most important for a Biennial Meeting is selecting three names for the new State of New Hampshire District Master. The names selected are Normand Lemerise, Thomas Ingham and Michael Sanderell.

Finally as we approach Holy Week I hope you and your families have a spiritual renewal of the Risen Christ and a joyous fun filled Easter weekend.

May God bless our country with his Blessed Mother as our guide.

PS! Please post the last page of the Minutes so you know the dates coming up.

SK Andrew Zevetchin Jr. FN PGK

Captains Report:

My Brothers

The Faithful Navigator and I went to the Biennial Meeting this past Sunday. The question was put to us when asking a Third Degree member to become a Fourth Degree why should he make the change if the two meeting are the same structure for both Degrees. I have not heard of this answer but it holds true why should a Third Degree become a Fourth Degree? I can only speak for myself in that I wanted to become a Fourth Degree Sir Knight. It's a Patriotic Degree and I am proud to be a Sir Knight. Its is an honor also to be at various functions while escorting a fallen brother or standing tall in church when our Parish priest calls us for First Holy Communion, Confirmation, Healing Service, I could go on & on. When asking a Third Degree member to become a Sir Knight tell him it is a honor to honor our Country in a special way. To be a Sir Knight is a privilege, this sums it up for me.
Thank You.

Sir Knights This e-mail came to me recently and how true it is that I hope you enjoy reading and passing this on as I did.

Past Faithful Navigator Comments:

My Brother Sir Knights:

We all know we must prepare for the future. We can only carry the burden for so long. A question might be, how important is it for our children to be taught about stewardship of time, talent and treasure. An answer could be is the earlier we begin teaching them the better.

We teach children when they are young about Jesus, prayer and to love one another.

We take them to church, we help them to understand the difference between their needs and their wants. These are important parts of teaching the Christian way of life.

Giving of ourselves is also an important part of our Christian life and we need to start teaching children when they are young. In many churches children are given envelopes to share some of their allowances and put them in the collection basket.

Parents and Brother Knights should also be encouraged to take young children to visit and send cards to the elderly in care homes. Hopefully our Assembly and others will provide an opportunity to do this act of charity. Also teach them to write and send gifts to our military people. In this way we can help teach them to help those who are in need while they are young. This could seed the young in later years to become Knights and also Sir Knights.

May Jesus protect and shower his love on all of us.

Faithful Navigator's Report:

Brother Sir Knights

January is behind us and on February 17th we started Lent. For us as Sir Knights it is the time of the year that we get involved in many Color Corp events. I am putting the final touches on our calendar for those callouts thru the rest of our Columbian Year. I hope for your continued support of our Color Corp Commander Brother Fred Ouellette in making our presence special and noticeable to the public.

SK Fred would like to have a couple of practice sessions in March. Please come when asked and help make our Color Corp the best in the State.

I received a thank you from our Seminarian, Andrew Nelson and he indicated he would like to come to one of our meetings in the summer.

Finally join me at the Biennial Meeting of the District of New Hampshire on March 14th. We are entitled to two voting delegates, but I hope many more Sir Knights join me. This is an opportunity to help give your inputs as to how our State Fourth Degree memberships can help our Assemblies future growth.

Vivat Jesus.
